Remote clients from all over the country and international regions

### Student Profiles:

I counsel young adults from a variety of backgrounds and profiles, including those:

- at the highest level of academic performance, applying to top-tier schools
- from a wide range of academic standings, from top 10% to lower percentiles
- with learning differences
- from non-traditional backgrounds
- emerging from therapeutic schools and programs
- on the autism spectrum
- attending independent day and boarding school
- attending public schools

### Additional Information:

Counseled more than 600 families and students

Attended more than 300 college and university tours and information sessions

Visited more than 50 therapeutic schools and programs

Extensive understanding of both the admissions process and the workings of financial aid

Attend regional and national conferences annually

Presented on specialized topics at regional and national conferences

NJACAC: "Mental Health and College Students"

NYSACAC: "Life Beyond High School for Students with Learning Disabilities"

Volunteer advisor with College Summit (now PeerForward)
